Summary

I am Rahil Banikar, a passionate and dedicated fresher aspiring to establish a successful career as an ABAP Consultant. Equipped with comprehensive knowledge and hands-on experience in ABAP programming, object-oriented programming, and SAP modules, I am eager to contribute my skills towards organizational growth and development. With a strong foundation in ABAP programming, debugging techniques, data migration, and various SAP tools including BAdI, BAPI, and enhancement techniques, I am committed to delivering high-quality solutions and driving innovation in SAP environments.
